### 1 Are You Ready to Retire?

## MAKE A PLAN

### 6 How to Conquer Your Savings Goal

No matter how old you are, these strategies will put you on the right path to a secure retirement.

### 21 Track Your Savings Progress

Use our worksheet to see how you're doing and how far you still need to go.

### 26 Planning a Move? Don't Overlook State Taxes

We tell you which states are tax-friendly and not tax-friendly—and which ones are somewhere in between.

### 30 The Lowdown on Roth Conversions

Converting a traditional IRA to a Roth will lower your tax bill in retirement, but it's not always a smart strategy.

### 34 The Pros and Cons of a CCRC

Continuing-care retirement communities provide a range of amenities and health care for life, but be prepared to pay up.

### 40 Stoking Retirement With FIRE

The pandemic actually gave a boost to the Financial Independence, Retire Early movement.

### 46 How to Find the Right Adviser for You

At certain watershed moments in your financial life (like retirement), seeking advice makes sense.

## INVEST

### 48 How to Survive a Choppy Market

If you've crafted a solid plan, don't abandon it. But we suggest ways to tweak it to see you through the volatility. **Plus:** Protect your portfolio from inflation.

### 54 Build a Portfolio With the Kiplinger 25

Use the list of our favorite actively managed mutual funds to reach your goals.

### 57 Wade Back Into the Bond Market

After a soul-crushing performance in 2022, bonds are a better value now. Yield-starved investors should take a look.

### 60 Pick the Best Funds in Your 401(k)

We scrutinized the largest 75 funds in employer-sponsored retirement savings plans and rated them “buy,” “sell” or “hold.”

## LOCK IN INCOME

**64 Shield Your Retirement Income From Inflation** Although you can't control the rate of inflation—or the stock market—you can take steps to protect your retirement security.

**70 Your Social Security Questions Answered** These FAQs will help you maximize your benefits.

**74 Convert Home Equity Into Extra Income** Many seniors have a pile of cash at their fingertips. Here's how to tap it.

**77 Is an Indexed Annuity Right for You?** They offer higher returns than CDs or government bonds. But some products still sport high fees.

## TAKE CARE OF HEALTH CARE

**82 Make the Right Medicare Choices** Missing the sign-up deadline is only the first of many mistakes that could cost you.

**86 Lower Health Care Costs With an HSA** A health savings account is an amazing (but underappreciated) way to cover medical expenses now and in retirement.

## LIVE WELL

**88 7 Great Places to Retire** We found small and medium-size cities that are affordable and spread around the U.S., so you can stay close to family and friends.

## TAKE THE CHALLENGE

**96 Are You Retirement-Ready?** Our short quiz tests your familiarity with the vocabulary and ideas that retirees (or near-retirees) should know.
